

SES Volunteers Association of WA (Inc)

One Association - Many Values

Vehicle Livery

The SES Volunteers Association has been discussing with DFES for several years the poor livery on SES vehicles.

DFES have now finally produced 5 suggestions.

We would like your comments and advice of your preference for the new SES vehicle livery.

Please do not feel you must only select from the 5 images attached – if you have other ideas please let us know what they are.

As far as the SESVA is concerned, we want to know what you prefer, and think, with regards to new livery on SES vehicles.

Images of any alternative solutions suggested are preferred, but if no image is available a written description will assist to convey what you mean.

Please send your reply to sesva.secretary@ses-wa.asn.au or call 0428 612 480

Please number your preference, with 1 being the most preferred, and 6 least preferred.

Replies to this survey are required by 28th October 2020.
