

1st December 2024

Hello young SES volunteers,

Bernie McNamara SES Young Emerging Leaders Program 2025 Application

The National SES Volunteer Association would like to ensure our younger volunteers have a say and input into the future direction that the National SES Volunteer Association will follow. The National SES Volunteer Association in conjunction with SES Volunteers Association of WA would like to invite a SES volunteer who is under 30 years old to apply to attend a Young Emerging Leaders (YEL) program held in Canberra, usually in the last week of April or first week of May.

The program will include attending the annual National Fire and Emergency Services Memorial Service to honour the courage and sacrifice of those who have died as a result of their service. Flights, accommodation, meals and transport will be covered for the successful applicant.

If you are interested in applying, please complete the attached application form and return it to sesva.secretary@ses-wa.asn.au.

Applications will close on 28 February 2025.

A panel will consider all applications on their merit, with the successful applicant announced by 14 March 2025.

Thank you for considering this opportunity and we look forward to receiving an application.

Greg cook
