Marshmallow Spaghetti Tower

For: Creative Problem Solving & Collaboration Exercise

What You'll Need: 20 sticks of uncooked spaghetti, 1 roll of masking tape, 1 Metre of string, and 1 marshmallow for every team.

Instructions: Using just these supplies, which team can build the tallest tower? There's a catch: the marshmallow has to be at the very top of the spaghetti tower, and the whole structure has to stand on its own (that means no hands or other objects supporting it!) for five seconds.
