Create a paragraph or two about yourself.

What do you enjoy about being a SES Volunteer.

Describe how you have made a change to the emergency services environment/group(s) you are involved in, and what was the observable impact.

Describe any involvement you have with community initiatives, programs or groups, other than SES.

Describe any leadership roles you have been active in. How did you use your knowledge and skills to improve practices and/or outcomes.

What are your leadership aspirations in the future? Where do you see yourself as a leader in five years' time.

What contribution do you think you can make as a Young Representative for the SES Volunteers Association of WA?
