### *From the President*

Hello once again,

The month of May has been very busy in meeting with SES Units across the state of Western Australia. Each SES Unit was invited to provide the next step in consultation for the coming Combined Emergency Services Legislation. It is critically important that SES members have their input to government prior to the release of the discussion paper. As your elected body for SES advocacy, the management and executive committees have been applying the lessons learn through its Legislation Sub-Committee.

As an Association, we also know that taking a position in a democratic way can result in some members feeling as though they have not been heard. I urge you to be heard. I and we understand that in our leadership role that this quote is relevant to the emotion that is and will bubble to the surface:

*“If you accept the call to leadership, you must be willing to be misunderstood,  
criticised, opposed, accused, and even rejected”*

*(unknown author)*

Don't let the opportunity pass by to effect great recognition and if required change to meet SES member's needs but not forgetting that we are here on behalf of the communities we willingly serve.

For those that wish to take a higher step, observe your right to be nominated and elected to the SES Volunteers Association Management Committee. It's a noble time to step up.

Best Wishes, **Greg Cook.**

## WAFES CONFERENCE 2023

## REGISTRATIONS FOR 2023 WAFES CONFERENCE & AWARDS ARE NOW OPEN

The biggest event of our year is right around the corner, with just over three months to go before the 2023 WAFES Conference and Awards are held on Friday September 8th and Saturday September 9th.

Volunteers who would like to attend the conference and awards have two ways to register to be a part of the weekend's events.

### **BGU Endorsement**

- ▶ BGU leaders have received an email asking them to endorse two volunteers to attend the conference by Tuesday 11th July.
- ▶ Volunteers are encouraged to speak with their BGU leader if they would like to be endorsed to attend the conference.
- ▶ BGU endorsed volunteers will receive an email with a link to complete their online conference registration by Friday 14th July.

### **Expression of Interest list**

- ▶ Volunteers can now join an Expression of Interest list which will be used to allocate any remaining places for the conference and/or awards gala dinner.
- ▶ This process is the only way to attend either event if you're not BGU endorsed or a WAFES Awards finalist or their nominator.
- ▶ The Expression of Interest list is open for self-nomination until Friday 14 July.
- ▶ Volunteer on the Expression of Interest list will have four opportunities to secure a place, with preference given to those who haven't attended the conference before.

NATIONAL MEMORIAL  
SERVICE FOR FIRE AND  
EMERGENCY SERVICE  
PERSONNEL

AFAC, THE Australian and New Zealand National Council for fire and emergency services, held a memorial service to honour the courage and sacrifice of those who have died in the line of duty at the National Emergency Services Memorial in Canberra on Friday 12th May 2023.

An AFAC Memorial Medallion was presented to the families and the service also acknowledged the names added to the Memorial Wall, which lists all who have died in the line of duty since records began.

The Memorial provides a place for remembrance and quiet reflection for families, colleagues and visitors. The service was attended by hundreds of members of the fire and emergency services, family members, dignitaries and others from across Australia and New Zealand. Craig Waters, DFES Acting Commissioner, represented WA along with DBCA staff, National SESVA Chairman Gordon Hall, SESVA President Greg Cook and SESVA Secretary Allen Gale.

### National Memorial Service, Canberra May 12th cont'd

SES Youth Achievement Award 2022 winner Cassidy Kempster, Northshore SES, and SES Youth Achievement Award 2019 winner Alex Corinaldesi, Cockburn SES, were amongst the thirteen young volunteers who formed up the guard of honour for the Governor-General at the memorial service.

This recognition highlights the importance of nurturing and developing the next generation of leaders within the emergency services sector. By including and acknowledging these young leaders, the event promotes their growth, encourages their active participation, and reinforces the significance of their future contributions to the emergency services.

Cassidy and Alex both praised the overall experience, expressing their gratitude to the SESVA, the NSESVA and DFES for providing them with such an amazing weekend in Canberra. Participating in such events contributes to fostering a culture of remembrance and appreciation within the emergency services community.

Another highlight of the weekend in Canberra was when the young emerging leaders attended a garden party at the Governor Generals Residence in Yarralumla, accompanied by the Chair (Gordon Hall ESM) and Deputy Chair (Dr Faye Bendrups OAM) of the National SESVA. Their memorable experiences continued after the memorial service with a visit to Parliament House and Geoscience Australia, followed by a visit to the Australian War Memorial on Sunday before returning to WA.

### WOW DAY

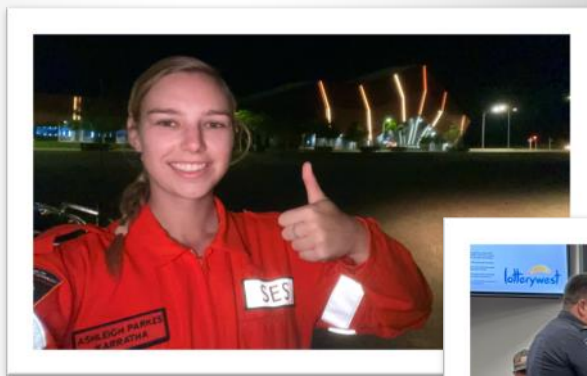

### 17 May

## Across Australia WOW DAY celebrated SES Volunteers' Saving Lives and Protecting their Communities.

Western Australia was no exception with many SES Units holding special events for their Volunteers and community members.

### Karratha SES embraced the spirit of WOW

celebrating the occasion at their unit by inviting members and their families to join with special guests for an informal, social opportunity on Monday 15th May. DFES District Officers David Cowdell and Paul Leiper assisted local Councillor, Marg Bertling in presenting recognition packs purchased with a Volunteering WA/ Lotterywest grant. Whilst enjoying refreshments, many participated in a treasure hunt to locate quirky facts, equipment and personalities important to our unit. A few brave members stepped up to share their experiences with local radio and newspaper as well as being the focus of member profiles on our Facebook page. Their enthusiasm for training, dedication to deployments and interesting experiences provided listeners and readers with great insights into SES. Our local City of Karratha iconic building, Red Earth Arts Precinct, was illuminated in orange to pay tribute to our dedicated SES Volunteers. What a great way to share the **ORANGE GLOW** with pride!

## MUNDARING SES HOST NORTH EAST WOW DAY CELEBRATION

Bassendean, Belmont and Swan SES Units gathered at Mundaring Unit to celebrate WOW Day, with approximately 12 members from each unit attending.

Superintendent David Gill and DO Chris Kin-Maung joined in the celebrations and addressed the gathering, which was coordinated by Lexi Toutoungis-Basley. A memorable observation made on the night was, "it is great to see so many SES members from different units meeting, chatting and laughing. It is only when you get this many volunteers in one room you realise how big the SES is and how we are all part of one team. We need to do more of this. Through doing more shared training, as we are often called out to support each other when a really big RFA is on and we are thrown together in a mix to get the job done!"

## Spectacular scenes at Geraldton's Queens Park Theatre as Geraldton-Greenough SES puts on a show.

Members of Geraldton-Greenough SES combined abseiling training with a stunning WOW Day display at Geraldton's Queens Park Theatre. A large contingent from the Unit practised climbing and descending using specialised climbing ropes and devices to demonstrate the skills SES volunteers use in vertical cliff rescue. The training was overseen by Department of Fire and Emergency Services District Officer, Tim Dalwood and Team Leader, Justin Larkin.

The Queens Park Theatre was aglow with orange lighting and SES logos and electronic signage promoted WOW Day. SES Local Manager, Ross Jones said WOW Day showcased the amazing work SES Volunteers undertake for their communities. "Orange has been the colour of SES Volunteers overalls across Australia since the late 70's and early 80's. ### Legacy Torch Relay

David Catchlove, Local Manager Rockingham-Kwinana SES, reflects on his participation in the Fremantle leg of the relay on the 5<sup>th</sup> of May 2023.....

2023 marks the 100<sup>th</sup> Anniversary of Legacy in Australia and as the Local Manger of the Rockingham Kwinana SES and a Navy Veteran, I had the honour of being one of the torch bearers for the Fremantle leg of the relay.

Fremantle put on a magnificent day with the weather and the event. It was a great privilege to be amongst other Veterans and Legatees. Following the torch relay there was a reception held at the City of Fremantle and a Community Day on Saturday 6th May to conclude the Perth leg of the Relay.

A big thanks to Defence Health, Legacy WA, Perfect Events and all the volunteers who assisted on the day.

I would like to say a great big thank you to all who donated to Legacy and supported me on this journey.

In 1923 Legacy made a promise to help veteran's families carry on with their lives after the loss or injury loved one.

Legacy's work can mean a child gets an education and a fair go, a widow is not disadvantaged and alone and a family is not torn by the effects of post traumatic stress or other psychological injuries.

## WAPOL Emergency Operations Unit (EOU)

**Senior Sergeant Gavin Radice** has been the Officer-in-Charge of the Emergency Operations Unit (EOU) since August 2022. He was the previous Officer-in-Charge of Water Police, however he has had a long career serving at numerous police stations across the state.

"The WA Police Force is the Hazard Management Agency (HMA) for eight emergencies that may occur in our community. These include Road Crash, Air Crash, Hostile Acts, Terrorist Acts, Land Search and Rescue (LandSAR), MarineSAR, Radiation Escape from Nuclear Powered Warships and Space Debris Re-Entry. Officers from the EOU provide support and advice when police deploy to these types of critical incidents.

EOU is based at the Maylands Police Complex and the officers are equipped with three command vehicles and three fast response vehicles capable of deploying at a moment's notice. EOU work closely with St John Ambulance, Department of Fire and Emergency Services, Department of Biodiversity, Conservation and Attractions and other government departments to assist as a combat agency. EOU will arrange WA Police Force staff to assist with attendance during a human epidemic, bushfire, weather and HAZMAT incidents.

The core business of EOU is in the area of land search and rescue (LandSAR), where the unit provides strategic advice and will attend a search incident in an advisory capacity to assist police districts. This includes deploying in an Incident Command Vehicle/ Forwarded Command Vehicle to provide support for the Police Forward Commander. The officers from EOU, are considered subject matter experts in LandSAR, by virtue of their qualifications (e.g. Advanced Diploma in Police Search and Rescue management) and experience.

In 2017, the team managed, coordinated or supported over 380 incidents. By 2022, this rose to over 1000 incidents. The majority of these being LandSAR, which included missing prospectors, hikers, persons with mental health issues (including despondent persons), children and persons with autism. The majority of searches are for those persons living with dementia/Alzheimer's which comprised almost half of all searches in 2022.

Most LandSAR incidents will not require the assistance of SES personnel, as between 70 and 80 percent of missing people are located during police initial attendance. Some searches are not suitable for SES deployment, due to the history of the missing person, including known violent behaviour. When WA Police Force do request SES assistance, this will be organised through the Cockburn Central based DFES District Officer State Situation (DOSS) by staff from EOU. EOU will regularly liaise with other WA Police Force units (Water Police, Police Air Wing, Mounted Section, Tactical Response Group) and other combat agencies (DFES, DFES-SES, Joint Rescue Coordination Centre - Canberra) in relation to critical incidents."

*"My experience as a police officer, particularly in regional WA, Water Police and now EOU, has highlighted the critical role that volunteers play in emergency management," says Snr Sgt Radice.*

*"Your dedication, professionalism, skill and at times bravery should never be underestimated and in many cases, we simply cannot do our job to try and save lives without your support".*

### FATIGUE MANAGEMENT

Fatigued people are often unaware that they are not functioning as well as they would be if they were not fatigued, and this can make it difficult to diagnose. Keeping everyone safe requires us to not only be vigilant in self-assessment but also identify fatigue-related behaviour in the people we work with.

It's OK to admit that you may be fatigued and it's OK to work with your colleagues emphasising the shared responsibility that goes with managing fatigue effectively. These checklists can help you identify fatigue.

**Check me, Check you.**  
Are you experiencing...

- Repeated yawning
- Bloodshot eyes
- Slow or disjointed speech
- Sleeping on the job
- Difficulty making decisions
- Stress, frustration and irritability
- Difficulty following instructions
- Delayed reaction times
- Poor concentration
- Poor coordination
- Oversteering while driving
- Drifting across lanes

If you identified any of the above signs of fatigue, **DO NOT** ignore. Talk to your supervisor and take action.

**Don't drop the Ball on Fatigue**  
Take Action!!!

Work with your supervisor to...

- ✓ Increase supervision
- ✓ Request refreshments
- ✓ Request nutrition
- ✓ Take a rest period
- ✓ Request task rotation
- ✓ Request alternative duties
- ✓ Schedule additional rest breaks
- ✓ Remove yourself from the workplace
- ✓ Arrange other transport
- ✓ Arrange accommodation

Strive to Keep Yourself & Others Safe.

**Don't Drop the Ball on Fatigue**

- Water**  
Aim for 8 glasses of water per day
- Sleep**  
Aim for 7-9 hours sleep each night
- Nutrition**  
Eat every 3-4 hours to maximise energy levels
- Exercise**  
Find 30 mins daily, 3 or 4 times a week
- Wellbeing**  
Use EAP, Peer Support Program, Beyond Blue and talk to family

### NOMINATIONS FOR VACANCIES FOR PRESIDENT, VICE PRESIDENT SOUTH and MANAGEMENT COMMITTEE MEMBERS

Several Management Committee terms of appointment end at the 2023 Annual General Meeting. Additionally, there are currently four vacant SESVA Management Committee positions; Kimberley, Goldfield-Midlands, North East (Metro) and North Coastal (Metro). Nominations for these vacancies along with the expiring terms of appointment, as listed the table below, are now called for.

All Units are invited to nominate a member for election as President, Vice President South, or a Management Committee position as per the following table.

Units that wish to nominate a member of their Unit for an expiring term of appointment and for a vacancy on the SESVA Management Committee must ensure the attached nomination form is completed and returned to the Secretary by the closing date, Thursday 13<sup>th</sup> July 2023.

Please include a brief statement about the nominee's relevant SES background that can be forwarded to Units should voting be required.

Refer to the following table detailing the regions with the expiring terms of appointment and where vacancies exist, along with the Units that fall within those regions.

All Units will be eligible to vote for the President and Vice President, but only Units within the relevant region will be eligible to vote for the Management Committee positions.

Voting will be undertaken by email wherever possible, therefore please ensure your Unit completes the **Unit Contact Details** on the attached form and returns it by mail, or email.

The election results will be announced at the 2023 Annual General Meeting, 9am Sunday 10<sup>th</sup> September at Crown Burswood following the WAFES Conference.

Should no nominations be received for a vacant position on the Management Committee, the Committee may co-opt a person to the relevant position.

Regions which do not have a representative on the Management Committee, do not always hear in a timely manner of items which affect them. This has caused issues for some regions in the past. So, to make certain your region is kept fully informed, please ensure a delegate is nominated if your region is one with a term ending or a vacancy.

If you have any questions about the Association and what being a member of the Management Committee entails, please do not hesitate to contact SESVA President, Mr Greg Cook:
